AMENDMENT & RESPONSE TO OFFICE ACTION OF AUGUST 16, 2006

This Amendment is responsive to the Office Action mailed August 16, 2006, (hereinafter, "the Action") , to which a response was due on September 11, 2006. The Action was sent to an incorrect address, despite a valid change of correspondence address having been of record as of the mailing date of the Action. The Action was returned undelivered to the USPTO, through no fault of the Applicants. Included herewith is a Request to Reset the Response Date. In the event the Request is denied, a Petition for a 2-month extension of time is included.

It is believed that no fees are due, but if any additional fee is required, such as an extension fee, the Commissioner is authorized to charge our Deposit Account No. 06-0029.

This Amendment includes:

Amendments to the Claims (pages 2-16) ;

Remarks and Conclusion (pages 17).
